Financial Aid Advice For Veterans

The Veterans Aid and Attendance Pension provides wartime veterans and their surviving spouses with tax-free financial aid for senior care needs. Paid for by the Department of Veterans Affairs.

How Amada Will Help:

- An experienced, knowledgeable VA expert will explain the Aid and Attendance benefit as it relates to your situation.
- We will help you determine your benefit eligibility.
- We will review your options on how to best proceed through the application process.
- We will provide on-going support – even after your claim is approved.
- Best of all, Amada's holistic approach to senior care means we will help design the right plan.

Proper guidance and planning can dramatically increase the likelihood of an approval. Don't assume you are financially overqualified!
